32 ACTIVITIES · ANSWERS INCLUDED

Merry Christmas!

Inside: 12 Christmas word searches, 12 holiday mazes and 8 easy sudoku puzzles — 32 activities for quiet afternoons, long car rides and the countdown to Christmas.

Word searches run only forwards, downwards and diagonally downward, so younger solvers can find every word. Mazes start easy and grow bigger, and every maze has exactly one way through. Every sudoku has exactly one solution.

Answers for everything are at the back. Print as many copies as your family needs.

Please do not resell, share, upload or redistribute the file or the puzzles, in print or digital form. Puzzles were generated and checked by our own puzzle software, and every sudoku was proved by a solver to have exactly one solution.
